

Cover Letter

I would like to highlight relevant experience in golf operations and golf accomplishments pursuant of a PGA Class A Membership; as well as my 40+ year past career transferable skills as it relates to an Assistant Golf Professional functional role.

- **College degree:** Graduate from University of Louisiana College of Engineering with a Bachelor of Science degree.
- **Pursuing PGA Class A Membership currently enrolled in PGA of America PGA | PGM Level 2 Associate Program:** Career path in Executive Management. (i.e. PGA Apprentice Program).
- **Relevant experience in golf operations:** Club OEM | Retail | Fitting | Simulation | POS high-end golf retail operations.
- **Leadership and supervisory roles:** Overseeing high-level visuality programs, projects, products and people within aerospace, telecommunications, social media, and high-technology corporation and consulting environments; as well as supervisory training.
- **Proven experience in high-profile customer service:** High-end retail golf operation, high-technology and social media corporations.
- **PGA professional teaching and coaching mentors:** PGA Tour, US Open, Bryon Nelson Classic and NTPGA Champions (Benny Passons, John Sikes, Rob Shields; as well as Director of Instructions and Head Professionals).
- **Manage multiple tasks and decision making under pressure:** High-level visuality programs, projects, products and people within aerospace, telecommunications, social media, and high-technology corporation and consulting environments.
- **Good communication and interpersonal skills and effectiveness:** High-level visuality programs, projects, products and people; as well as Xerox Professional Selling Skills training.

Thank you for reviewing this letter and the accompanying material. I would very much like the opportunity to discuss, in person, how I can meet the demands of a well-defined role and performance expectations.

Sincerely,

Dennis Savoie
