

# GOLF PROFESSIONAL LETTER OF DENNIS SAVOIE

As a 2020 retired aerospace and technology knowledge-based engineering professional certified with biomechanics and kinematic sequencing under Texas Women’s University from Dr. Kwon PhD Kinesiology and Golf Kinematic Sequencing Laboratory; and certified with golf fitness and instruction under National Academy of Sports Medicine and American Sports and Fitness Association; my passion, goal and objectives are to become a PGA Member.

- ✓ Golf Biomechanics Kinematic Dynamic Sequence Certifications,
- ✓ Golf Fitness Certifications,
- ✓ Club Fitting of major golf equipment PING and Titleist Certifications, and other major OEMs,
- ✓ Aerospace material sciences technologies,
- ✓ Business case analysis (Finance P&L),
- ✓ USGA approved OEM equipment material science technologies,
- ✓ Club - ball flight simulations and software, and
- ✓ Pro-shop retail with a major PGA Retail operation.

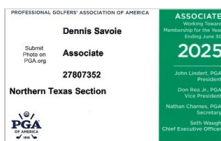

Thank you for reviewing this letter and the accompanying material. I would very much like the opportunity to discuss, in person, how I can meet the demands of a well-defined role and performance expectations.

Sincerely,

*Dennis J. Savoie*
